Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting the Appropriations Committee provide a funding level of \$2,500,000.00 for the Construction of Water Tower and Associated Water Tower Mains and Acquisition of the Water Treatment Facility/Wells Site(s) in Bondurant, IA as a community project funding request. The intended recipient is the City of Bondurant located at 200 2nd Street NE, POB 37, Bondurant, Iowa 50035. This project is a valuable use of taxpayer funds because it addresses both short-term and long-term water storage capacity needs of the City of Bondurant. Bondurant saw a 91% increase in population between 2010 and 2020. With this growth comes challenges, as the community has abundant water needs related to this change.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zach Nunn
